All judged classes will be conducted in accordance with current APHA rule book.

In addition to the APHA Rules, all rules of the show facility must be adhered to by all exhibitors and guests.

Green Rider/Handler classes are open to regular and solid paint bred registered horses, and to any exhibitor provided he/she has not won three (3) or more first placing in showmanship to compete in showmanship classes; has not won three (3) or more first placing in English classes to compete in English classes; has not won three (3) or more first placing in Western to compete in Western classes. Persons winning three (3) first placing in a class in a calendar year will be allowed to compete in that Green Handler/Rider class for the rest of the calendar year. Exhibitors in this division are not required to own their horses.

APHA Green Horse classes are open to **regular registry horses** that have shown during previous years in any recognized equine association in any hunter under saddle classes, western pleasure classes, trail classes, or western riding classes, but have not won more than 10 points or a World or Reserve World Championship in these classes individually as of January 1 of the current show year. Points from all divisions will count and are cumulative in determining eligibility. If a horse is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned. Once a horse has earned 10 points in a green division class, it will no longer be eligible to compete in this class in subsequent years. Horses showing in this event may also enter their respective Hunter Under Saddle, Western Pleasure, Trail or Western Riding class at the same show. Consult the APHA Rule book for complete rules.
